About This Game

Have you ever wanted to raise an army of the dead and wipe out pesky humans?
Is the tedious management of the army's infrastructure something you look forward to?
Can you control your army numbers and deal with vampire and zombie numbers swelling without your leave?

- 12 undead types to raise.
- 20 buildings.
- 4 raw materials.
- 8 resources.

Take a walk on the indie dark side.

This is the Tycoon-style Necromancer simulator.
Build up your base, collect corpses, convert them into minions.

Allocate jobs to your undead host. More jobs open-up as the game progresses.
Defend against human attacks and assault them back.
Research improvements for the infrastructure.
Take over all human villages to win the game.

Human Relations

<p>Supply 1 skeleton. Supply half your skeletons.</p>	<p>Supply 500 gold. Supply all of your gold.</p>	<p>Total: 0 Create 1 spy group. Send half your humans to spy.</p>	<p>Gold: 0 Back</p>
---	--	---	-------------------------

Note: Supply humans with skeleton workers per day in order to lower your notoriety. Note: Each skeleton worker (per day) lowers your notoriety by 1. Give humans a one off gold present in order to lower your notoriety. Note: Your gifts come in 500 gold denominations, each reducing your notoriety by 1. Create spy groups made up of brainwashed humans (from human farms). Each spy group consists of 20 people and decreases the growth rate of villages.
